★★★★★ I Went in to get my oil changed at Hallmark Hyundai because I heard that they carry this oil called Amsoil and my husband loves that stuff ,so to find out that the dealership uses that as their synthetic oil made him ecstatic. Andrew did a great job of taking care of us, and then walked us over to the waiting area(which was more like a cafe ) where Mrs.Helen offered us a cup of coffee and I was so pleased that she even made it for us and was so friendly and nice. They were extremely busy but they took care of me so quickly and with the free wifi I barely even noticed the time as I used my Ipad. I will definitely be back for the service as well as the comfortable easy atmosphere they provide. Great job Hallmark keep up the good work!!!!!!!!!!
